# MANY BIDDERS MUST OBEY ORDER FOR CITY BUNDS OF SUPREMECOURT

Expected That Whole Issue of Independents in Tobacco Insist \$1,400,000 Will Be Sold at Satisfactory Price.

The Council Committee on Finance will open bids on Tuesday, October 17, for the recently authorized issue of \$1,400,000 in 4 per cent, refunding public improvement bonds. Adverserted not only in the city papers, but also in several financial journals, and a number of inquiries have been received from banking firms in different Richmond city bonds, an issue of \$1.500,000 for construction of sewers made about two years ago, was sold in a lump to a Baltimore syndicate of bankers at par and accrued interest. The city's credit is believed to be in excellent shape and members of the Finance Committee expect to experience no difficulty in floating the issue at a reasonable price. In this case, if the proposals make it better, the issue will be separated and the bonds sold from time to time as bids justify. From the first proceeds the general city treasury is to be reimbursed for payments already made on account of certain improvements authorized in the bond of dinance, including \$165,000 for acquisition of the Ford Hotel site; \$41.500 has been paid out to this time for acquisition of site and for work done under the contract on L. new Mayo Bridge. Already more than \$21,500 has been paid out to this time for acquisition work on the new bridge. The bond issue also provides for two new school houses, plans for which have been approved by the council and for Mr. Hess refused to discuss at the time. He said that when the first Richmond city bonds, an issue of \$1,-500,000 for construction of sewers the president of the association. acquisition of the Ford Hotel site; \$41,000 for purchase of public school sites,
